

Dental Form

In event that you would require a visit to the dentist during your pregnancy, the dentist will need the following instructions:

Carbocaine without epinephrine
Xylocaine without epinephrine
X-rays with shield
Amoxicillin/ E-mycin for antibiotics
Tylenol #3/ Darvocen for pain

Please take this paper with you to your dental appointment. This may be used as physicians order. If you dentist has any questions they may contact us at (407) 846-7200.

Thanks,

Dr. Douglas Winger, M.D.
